

# Visit Us this Winter

Our teachers are swirling up a flurry of cool winter activities and events.

## Everyday Activities

Our teachers encourage children to pursue everyday activities that follow their interests and engage them in new discoveries.

## Winter 2010 Activities

### January: Mad Scientists

#### Ingredients

½ oz. of imagination    2 tbsp. of gooey  
¾ cup laughter        5 cups of senses

#### Prepare

Add 1-12 children to the above mixture, stand back and watch a Mad Scientist appear right before your very eyes.

Experiments this month include:

Play dough, Tye Dye, Rubber Eggs, Goop, Bubbles and more.  
Grab your lab coats and join us for some Mad Scientist fun!

### February & March: Cultural Connections

Back by popular demand!

We will journey around the world throughout February and March. Along the way, we will explore and celebrate different cultural traditions from the places we visit, explore language, food, art, music, and much, much, more. Don't forget your passport!
