

# Visit Us this Spring

Our enrichment activities are in full bloom this Spring.

## World at Their Fingertips

Our everyday learning program, *The World at Their Fingertips*, creates developmental, cultural, and individually appropriate learning environments that empower children to become confident, successful, lifelong learners.

## Spring 2010 Activities

### April Showers Bring May Flowers!

Join us as we become farmers, gardeners and weathermen. We will plant flowers, vegetables and watch for signs of new growth in both ourselves and the world around us.

### Dancing around the May Pole!

As the weather is now warm and inviting, we will turn our attention to the outdoors. Spring Training has begun on the Citi Campus with our participation in sports such as soccer, Frisbee, catch and kick ball.

### June Jubilee!

With summer just around the corner, it is time to plan our summer vacation. The Citi Center's "Travel Agency" will be quite busy as we make our travel arrangements to exotic and fun filled locations.
