\*High Demand Day Calendar refers to those days throughout the year when local public or private schools are closed and, therefore, our centers experience higher than average usage. Bright Horizons Family Solutions does its best to accommodate each reservation, however, there is often a waitlist for care.

\*\*In cases where 1 month in advance falls on a weekend day or holiday, Bright Horizons Family Solutions will begin accepting advanced reservations on the following day of business. On days where the prior month does not have 31 days, reservations for the 31st will be accepted on the 1st of the month. These are expected high demand days, but may change due to Teacher Development Days or weather related changes in the school calendar. This sheet represents several school calendars. Please check your child's schedule to determine if the holiday pertains to your child.

Holidays when Bright Horizons Family Solutions Centers are closed are indicated. Please note that centers may be closed on additional dates based on client holiday calendars.
