

Bright Horizons Receives Recognition from Modern Healthcare as a Best Place to Work

[WATERTOWN, Mass., -- September 16, 2010] **Bright Horizons Family Solutions, LLC**, the world's leading provider of employer-sponsored child care, early education, and work/life solutions, was recently recognized as a Best Places to Work by Modern Healthcare. **Bright Horizons®** provides services to more than 100 clients in the healthcare industry and has more than 1,500 employees who serve hospital clients.

“The recognition from Modern Healthcare is an affirmation of our commitment to be a great place to work for our employees so that they can best help our clients be great places to work. By supporting families of those working in the health care field, we are able to give them the critical peace of mind they need to focus on their roles and excel in patient care, research, medical services and all the other factors that make their medical centers tops in their field,” said Bright Horizons Chief Executive Officer David Lissy.

The list of 2010 Best Places to Work in Healthcare consists of both direct providers of healthcare as well as companies that supply products and services to hospitals and health centers. The list is based largely on results of employee surveys that measure employees' ratings of such components as trust in company leadership, benefits, culture, and overall satisfaction. Bright Horizons congratulates our clients who were also recognized by Modern Healthcare. The rankings will become available in a special supplement of the Modern Healthcare magazine on October 25.
