

A Little Dirt Never Hurt

June 8th – 12th, 2020

Infants – School-age Welcome!

Playing in the mud has many benefits for development — from enhancing creativity and fine motor skills to helping children relax. It can even give the immune system a boost.

Join us at Bright Horizons at Minnetonka to:

- ▶ **Science Rocks** Activities: construction with mud bricks, learning about insects and worms, understanding the plant life cycle
- ▶ **ArtSmart** Activities: mud painting, making our own "magic mud" and "fairy mud"
- ▶ **Toward a Better World** Activities: exploring farms, gardening and making music with nature mandalas
- ▶ **Well Aware** Activities: mud kitchen and bakery play

Reserve Care Today!
