Two Step Process for Full Service Care

All families must complete **both an inquiry and a registration** to be entered into the enrollment lottery. This process is specific to Early Education & Preschool (full time care) and separate from any registration you've done previously for other Bright Horizons services (such as Back-Up Care).

STEP 1: INQUIRY

On the Center Search page, enter your **work location zip code**. When selecting "My Center" you must select one of the **JPMorgan Chase centers (i.e., JPMorgan Chase – location)**. You may need to scroll down to locate the JPMC center.
