Book recommendations to help your child spark a lifelong love of reading

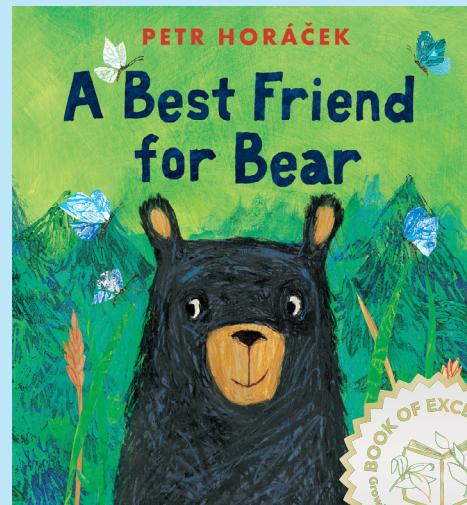

Featured Book of Excellence

A Best Friend for Bear

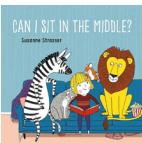

Written and Illustrated by Petr Horáček

Infants and Toddlers

A Best Friend for Bear follows Black Bear, who goes on an adventure looking for friendship. Along the way, he learns more about feelings, friendship, and fun. Will he find what he is looking for? The illustrations in this story burst with textured details, and the language is light, warm, and humorous. The story encourages children to build meaningful relationships with others, as they learn more about interpersonal connection. This book is a delightful choice to discuss more about companionship.
