

Infant Language: Big and Little Size Game

Learning Value:

This activity promotes development and learning by encouraging children to understand and use a growing vocabulary.

Materials Needed:

- ▶ Two similar objects that vary in size, e.g., a small toy car or ball and a large toy car or ball

Participants:

This activity is intended for adult/child interaction:

Directions:

Step 1: Show your child the small object. Say, “This is a small car.”

Step 2: Show your child the big object. Say, “This is a big car.”

Step 3: Demonstrate how to move the cars across the floor or roll a ball, etc. Let your child explore the objects.
