

# Virtual Field Trip

**Where:** National Natural History Museum

<https://naturalhistory.si.edu/visit/virtual-tour>

Let's explore the museum! Select Permanent Exhibits and investigate the first floor. Can you find the largest animal? Hint: You may need to look up! (Solution below)

Explore for a while and ask your child what they would like see again. Choose one of the following activities:

- ▶ Draw something they see in a journal
- ▶ Write some words of things they see
- ▶ For Kindergarten Prep and School Age- write a story together about one of the animals.

(Solution: Did you find the North Atlantic Right Whale? Congratulations!)

Bright Horizons.

**World** *at Home*
