Growing Readers Review

Book recommendations to help your child spark a lifelong love of reading

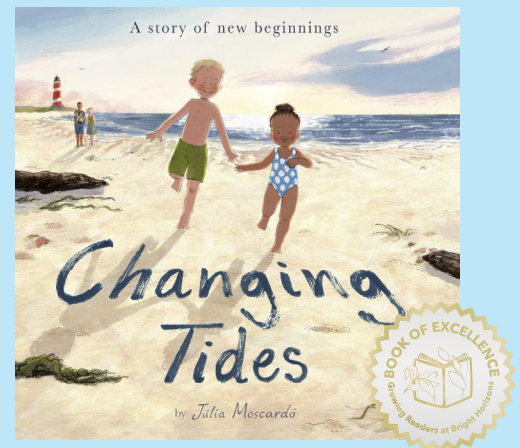

Featured Book of Excellence

Changing Tides

Written and Illustrated by Júlia Moscardó

Preschool - Young School-Age

Changing Tides follows young Lula as she adapts to her new blended family on their first vacation together. Through beautiful illustrations and a gently evolving story, it captures the reality of navigating change, building trust, and adjusting to new experiences and people. The language is simple—providing comfort to children who may connect with experiencing change. This book is a meaningful choice to discuss adaptability, emotional growth, and embracing unfamiliar experiences—skills that help children prepare for the unexpected.
