Book recommendations to help your child spark a lifelong love of reading

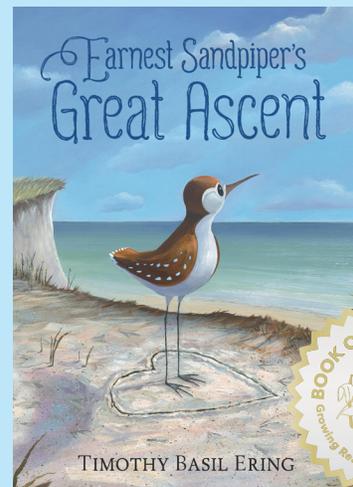

Featured Book of Excellence

Earnest Sandpiper's Great Ascent

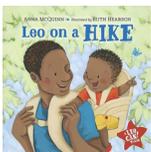

Written and Illustrated by Timothy Basil Ering

Preschool - Young School-Age

Earnest Sandpiper's Great Ascent is an inspiring story about a young sandpiper that is making his first attempt at flying. To persist through the challenges, he must learn how to be brave. With pastel illustrations and emotive language, the book presents a warm and whimsical tone. This story encourages children to be courageous and learn that they can do anything they put their mind to. This book is a wonderful choice to discuss overcoming challenges as well as environmental awareness.
